12 In para 1 of the office note it has been pointed out that sanction to utilize the services of the Architectural Assistant has been sought for under para 3 of the G.O. No. 558-60/Muz 7 88-23-2 of 24-10-23.

13 In the matter of meeting the T.A. expenses of the Architectural Asstt from the temple funds, if the Dharmadarsis agree to it, the Muz Comr ~~states~~ points out that in the first place the temple contributes nothing towards the construction of the mantaps in question. and that the work being unauthorized, having been undertaken by the Dharmadarsis, the Amildar & the people, it is not necessary to consult the Dharmadarsis at all.

14. It is urged that ~~the~~ inspection by the Architectural Asstt of the Mantaps is necessary, as his opinion from an architectural artistic point of view ~~was~~ is required; and suggests that the T.A expenses may be met either from the interest earnings of the G. enl. K. V. Anantaraman, Esquire., B.A.,

Offg. Secretary to the Government of

His Highness the Maharaja of Mysore,

REVENUE DEPARTMENT.

Sir,

With reference to your letter No.953/M.F.88-23-6 dated 12th --- January 1924, requesting me to submit a report after ascertaining the wishes of the Dharmadarsis of the Chunchinkatte Sri Rama Devaru temple about debiting the T.A. and other expenses of the architectural ----- assistant to temple funds, I have the honor to state that the recommendation contained in my letter of the 3rd December 1923 was submitted --- having regard to the Standing order of Government (No.558-60/M.F.88-23-2 dated 24th October 1923.) directing that when the services of the ---- Architectural Assistant were requisitioned by the Muzrai Department in connection with repairs or improvements to Muzrai Institutions not -- included in the list of ancient monuments selected by Government for -- special protection his T.A. allowance for journeys performed by him in connection with such work may be met from the interest earnings of the General Muzrai Fund.

2. The Institution in question viz., Sri Rama Devaru temple at ---- Chunchinkatte is a Muzrai Institution not included in the list of ancient monuments and the services of the Architectural Assistant are required to inspect the row of mantaps that are being constructed by private --- contributions and as such, I am of opinion that his T.A. and other ----- expenses are rightly debitable to the interest earnings of the General Muzrai Fund in conformity with the Standing Order. More-over, in the present instance, the temple contributes nothing towards the construction of mantaps and if the T.A. of the Architectural Assistant have to be met from a source other

the interest earnings of the General Muzrai Fund, they have to come out of the funds collected by the devotees by public subscription which does not seem to be fair either. The Dharmadarsis and the committee that sanctioned the erection of these mantaps without formal authority consist of the Amildar and other local people, and as their own unauthorised work has to be tested from an architectural and artistic point of view and alterations or additions proposed, their consent to this procedure does not seem necessary and they need be called on to provide the T.A. only if other sources do not exist. If for instance they do not consent, no inspection would take place.

3. In these circumstances I beg again to resubmit the matter for the orders of Government and request that the charge may either be met from General Muzrai Funds or debited to the temple funds without having to consult the Dharmadarsis for it.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
